You've
never seen
reading
like this
before!

From
former
punk rock
roadie turned Anglican
priest G. P. Taylor—the
author of the bestselling
books *Shadowmancer* and
Wormwood, which have been
dubbed “hotter than Potter”
in the United Kingdom—
comes THE DOPPLE
GANGER CHRONICLES,
a new series that combines
art and text to create
illustra-novellas™ —
a new kind of book
designed to enhance the
reading experience for a
visually oriented generation
of kids, especially
reluctant readers.
